

Plymouth Public Library's 2000 Books & Beyond

*A part of the 1000 Books Before
Kindergarten program*

This program is for Reading Rock Stars who have finished the 1000 Books Before Kindergarten program well before their entrance to 5-year-old kindergarten and who want to **KEEP READING!**

Register at the children's service desk at the Plymouth Public Library. Add your name to the library's 2000 Books & Beyond display wall.

Read together. It's that easy!

Fill in a star on your Reading Stars log sheet for each book that you read. Reading logs work the same way as in the 1000 Books program:

Fill in a star on your reading log for each book you read. If you read a book more than once, you can record it each time. Books read at library storytime, at a child care center, or by other individuals to your child also count. Books you count toward the reading log do not need to be library books.

For each 100 books that you finish, bring your sheet to the library and

- Receive a sticker for your child to wear or take home
- Place a star sticker on the Reading Stars display board in the library
- Collect your next reading log sheet

Every time you reach a 1000-book milestone (2000, 3000, 4000 ...), receive a free picture book.

The end date for this program is your child's entrance to 5-year-old kindergarten. There is no pressure to finish a certain number of books in this program; the goal is to provide a fun way to keep you and your child reading together. No matter where you end, when your child begins kindergarten, he or she will be ready for school, and you both will have shared many special moments together.

Happy reading!
