and more!

Place Holds

- From the main screen, search the catalog for your item
- Tap on the search result that you would like to request
- Tap “Request It”
- Select your pick-up location, and tap “Place Hold”
- We will notify you when your hold arrives at the library

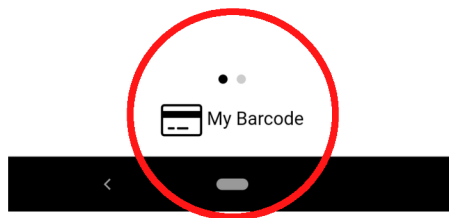

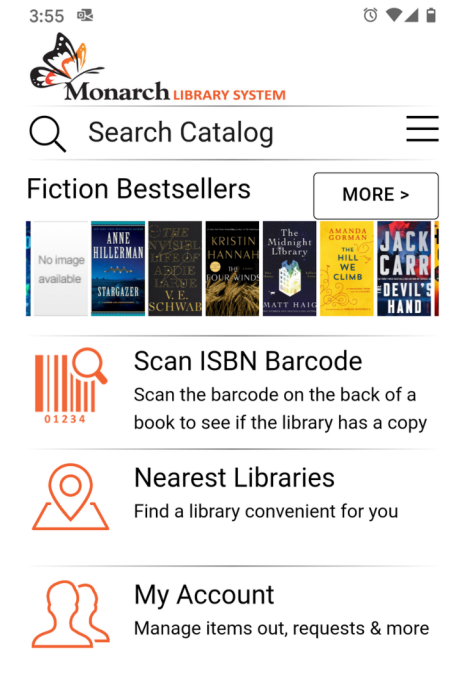

Outdoor Locker

Our 24/hour holds lockers are perfect when you can't make it during our regular hours. The App is still working on adding that option when you place requests. Please use the QR code below to use the old Monarch Catalog to select Outdoor Locker as your pickup area.

Never forget your library card again!

- From the main screen, tap on My Barcode - it's that easy!

Add your family's cards to keep track of all of your library items

- tap the three line menu and then tap “Linked Accounts”
- tap “Add” and enter your family member's library card number and pin number
- Now you will see everyone's checkouts and holds
